

# Greetings from Beautiful Downtown Pottsville!

Summer is here and life is good! Long days of warmth and sunshine draw us outdoors to enjoy! The garden patio at the Inn is a beautiful place to enjoy a great view and the fine summer menus we have planned! It's also a great place to have your professional business meeting with a luncheon. Everyone is busy with vacations and summer schedules so it would be great to treat yourself to one of our special dining events. We've planned some different things to entice you, twilight dining, happy hours and afternoon teas. Gather your friends and reserve a table or two and break up your week with a "midweek lunch" on a Wednesday! You can dine outdoors if you like and enjoy the trickle of the fountain and the aroma of the roses or sit in the dining room with sparkling crystal and flickering candles! Summer also brings family into town for visits, weddings and reunions. The rooms at the Partridge House B & B are always clean, fresh and ready to make your guests feel welcomed. Fresh brewed coffee and breakfast greet each guest in the morning. There's a room to fit every personality with vivid colors, plush bathrobes and private baths. We look forward to seeing you very soon at the Partridge House. Please phone ahead for dining events as they are by reservation only, have limited seating and are certain to book quickly!
